**SAFETY AND ETIQUETTE**

- **Carry and drink plenty of water.** Dehydration is a leading cause of injuries on the trail.
- **Every year dogs become sick or die from dehydration at Mission Peak.** Be kind to your dog – bring plenty of water for it.
- **Stay on trails.** Taking shortcuts can be dangerous and causes erosion.
- **Trails can be slippery, rocky and steep.** Proceed carefully at your own risk.
- **Bicycles are permitted on designated trails only.** Horses have right-of-way on trails.
- **Cows are a part of the Mission Peak landscape.** Keep your distance, and do not approach the animals. Control your dog around cows; keep them under control or on leash as cows may become agitated if a dog approaches. Cows are protective of their young — do not get between a calf and its mother, and don’t try to touch them.
- **Wildlife may be present on the trails at any time.** Feeding or approaching wildlife is dangerous and illegal.
- **Keep the parks beautiful.** Pack out what you pack in.

**RULES**

- Pets must be leashed 200 feet from any trail or park entrance.
- Pets must be leashed in parking lots, picnic areas, developed areas such as lawns and play fields, and on some trails. They must be under voice control at all times.
- Visitors are responsible for knowing and complying with park rules (Ordinance 3B), available online at www ebparks.org/activities/ord3B.
